

Open Forum Presentation Guidelines

- Abstracts will be assigned to an Open Forum session scheduled at the AARC Congress. Presenters are expected to arrive on time.
- A substitute presenter will **not** be allowed without prior written permission.
- Changes to accepted abstracts will **not** be permitted.
- All presenters must register as Congress attendees (daily registration and student rates are available). All fees and expenses associated with the preparation, submission, presentation of abstracts and including, but not limited to, travel, housing accommodations, and meeting registration are the responsibility of the author/presenter.

Poster Guidelines (maximum 66 inches wide x 40 inches tall)

You may be as creative as you wish in the design of your poster but the components below **must** be included (figures/tables optional).

- Posters must be prepared in accord with the Poster Guidelines (push pins are provided). We encourage authors to use the Poster Template available at www.rcjournal.com
- Do **not** include author degrees and credentials on your poster; only list names and affiliations.
- All industry relations for all authors for the previous 2 years **must** be disclosed.
- Commercial logos are prohibited (hospital logos are permitted).

Title Here in Title Case

Authors (first name last name only, **no degrees/credentials**)

Hospital logo allowed, **NO** commercial/industry logos

Affiliation(s)— Department, Hospital, City, State/Province, Country (if other than United States)

Background
